**Klone von Pferden und deren Nachkommen dürfen an FEI-Wettbewerben teilnehmen**

Die **FEI (Fédération Equestre Internationale)** hat in Ihrer Frühjahrssitzung 2012 beschlossen, dass geklonte Pferde und Nachkommen geklonter Pferde nicht von FEI-Wettbewerben ausgeschlossen werden.

*(CRYOZOOTECH NEWS) The FEI will not forbid participation of clones or their progenies in FEI competitions.*

*The latest research on the issue of equine cloning was presented and debated at the FEI Sports Forum. The FEI Bureau accepted that the position of the FEI on equine clones and their progeny should be changed to "The FEI will not forbid participation of clones or their progenies in FEI competitions. The FEI will continue to monitor further research, especially with regard to equine welfare."*
